Re: Berea Elementary School Rezoning

Dear Chairman Taylor:

I write to you today to respectfully request that you postpone the decision to rezone the historic Berea Elementary School for six months. This will give us the opportunity to work out a memorandum of understanding with a prospective purchaser, the school district and the county to place a park on this property. Many homeowners in this area, former students of the old Berea High School and Berea Elementary School would like to see this landmark developed into a public park for the children and taxpayers of the Berea Community. A park would greatly benefit the community at large as well as existing businesses located nearby.

With some additional time to work out a solution, I believe all parties can be satisfied.

Sincerely,

A handwritten signature in cursive script that reads "Mike".

Mike Fair
